CERTIFICATE

The company

Nova Thread & Packaging Industries Ltd.
65/2/1, Box Culvert Road, Purana Paltan
Dhaka - 1000, BANGLADESH

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report 20.0.28587

for the following articles:

Elastic tape made of 100 % polyester and in mixture with latex (white and black) as well as sewing and filament thread made of 100 % polyester, in white and disperse piece or yarn dyed, sewing and filament thread silicone finished; produced by using materials certified according to STANDARD 100 by OEKO-TEX®.

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Annex 6, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Annex 6 for baby articles.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate 16.HBD.82787 is valid until 30.06.2021

Boennigheim, 15.10.2020
